EDUCATION

GALGOTIAS COLLEGE OF ENGINEERING AND TECHNOLOGY, Greater Noida— *B.Tech*

2019-2023

CGPA : 7.61

PROJECTS

KeyStruments

- Designed Website which can play instruments online on a website with your keyboard.
- All the instruments are implemented with CSS and SVG with animation and different key-bindings for sounds.
- Implemented 4 instruments.

Movie Manifest

- A website for searching information about any movie.
- The Website presents 6 things, poster of the movie, description, IMDB rating, language, release date, tagline of the movie.
- The application also fetches the trailer of the movie from YouTube.
- Website also has a random button which fetches random movie from 808,281 options
